SKIP THE HASSLE OF MANUAL HOLES AND CUTOUTS

Don't waste time making holes and cutouts manually – let **French Gerleman** deliver your Hoffman enclosures and back panels ready to populate. By utilizing **French Gerleman's** extensive local market inventory, you can enjoy pre-modified enclosures and back panels in as little as one day. Make manual holes, cutouts and tapping easy so you can focus on integrating and delivering control solutions to your customers.

1. Precise, clean holes and cutouts to your specifications.
2. Almost any material, any cutout, shape and size.
3. Easy to order – simply supply existing design files.

* Actual delivery times may vary based on location.
